

BUILT-IN SPECIFICATIONS

Important Note to Consumer: This flysheet is not intended to replace your Owners' Manual which contains specific safety requirements and consumer guidelines Please refer to your Owners' Manual prior to operating your built-in bbg.

WARNING: All gas grills listed are intended for outdoor use only and are not intended to be installed in or on recreational vehicles or boats.

Clearance to Combustible

Construction: When choosing a location for your gas grill, you should not have it located under any combustible construction. The side, bottom, and back of the grill should not be any closer than 24" to combustible construction.

Cutout Dimensions: Build your barbecue island to these specifications to ensure proper fit of the product being used. Overall

Total BTU Ratings: These numbers show the total volume of gas used by the product while operating at full capacity. Dimensions above are accurate but as tape measures and grill bodies can vary by 1/8", we recommend measuring and confirming your purchased unit to confirm your cut out dimensions.***

Dimensions: Describe the actual dimensions of the product once it is resting/installed in a barbecue island.
